

RC 176

Committee B

Replacement language for Proposal 79 AAC 21.350.

Closed Waters

Close waters to commercial fishing within one statute mile of the terminus of the following streams:

- A. Within one statute mile of the terminus at [mean high tide] lower low water of the Kustatan River.
- B. Within one statute mile of the terminus at mean lower lower water of the Big River and Bachatna Creek.

Intent of this proposal and replacement language is to provide consistent stream mouth conservation measures for 3 specific streams with significant sport coho salmon fisheries on the West side of Cook Inlet (northern Cook Inlet Management Area).
