

On behalf of the "Kuskokwim BOF Sub Committee":  
On: January 15<sup>th</sup>, 2016

RC 050

Request the Board to lay Proposals 95, and Proposal 222 on the table to be taken up at an unspecified future meeting.

Furthermore, we ask the Board to request that the Department, and the Division of Subsistence to continue working with Stakeholders on developing a permit system that works for the users on the Kuskokwim River.

Regards,
