On Proposal 83

Special provisions for seasons, bag, possession, and size limits, and means in the Bristol Bay Area.

Lake Iliamna A.C voted to amend the proposal to include all of the Iliamna Lake Area and Six Mile Lake.

The boundary should be able to a line from the down river side of Ole Creek across the Kvichak River to the down river side of Kaskanak creek. The line is about 5 miles down river from the mouth of Iliamna Lake and is pretty much straight across the river.
