RE: Proposal 83 – Special provisions for seasons, bag possession, and size limits, and methods and means in the Bristol Bay Area.

December 7, 2015

New suggested language for 5AAC 01.320 (I)

Subsistence fishing by use of a hook and line attached to a rod or pole is prohibited, except in the Newhalen River including Six Mile Lake (the Narrows) all the way South throughout Iliamna Lake to the mouth of the Kaskanak creek five miles down from the mouth of the Kvichak River. In the box illustrated below.

It is our intent that all rod and reel fishing in this area for subsistence be permitted for non-salmon species in all seasons.
