

Amend Proposal 12 to create a youth-only fishery on the Ninilchik River on the Wednesday that falls after the third week-end following the Memorial Day opener. The youth-only fishery will be for ages 6-12 years only, between the hours of 6:00 am to 10:00 pm. The bag and possession limit follow current regulations for the Ninilchik River.

The Ninilchik River open area for youth-anglers will be from the ADF&G marker just upstream of the Sterling Highway Bridge downstream to the marker at the outlet of the harbor.
