Substitute Language for Proposal 12:

Create a youth-only fishery for youth under 16 years of age on the Ninilchik River on the Wednesday that falls after the 2nd weekend following the Memorial Day opener. The bag and possession limit is one wild or hatchery king salmon of any size. Annual limit and recording requirements are in effect. After harvesting a king salmon a person may not fish on the Ninilchik River for the rest of the day. The youth only fishery will be between the hours of 6:00 a.m. to 9:59 p.m. The Ninilchik River open area for youth anglers will be from the ADF&G markers just upstream from the Sterling Highway Bridge to the outlet of the harbor.
