

Wasilla a City of 9,000 residents & greater Wasilla represents 70,000 residents

Conservation Corridor approved in 2014 is working.

There is enough fish for all Alaskans, including all Borough/Wasilla residents if the Conservation Corridor is kept in place

The Borough ^{its partners} has spent over 8 million dollars upgrading 107 culverts in the Borough to improve salmon runs for everyone

The Conservation Corridor is working please keep the Corridor open and oppose an proposals that seek to weaken what is working
