

**PROPOSAL 193**

**5 AAC 77.682. Personal use salmon fishery.**

Establish a personal use salmon set gillnet fishery in Section 15-A, as follows:

Resident personal use fishing is allow (or not restricted) in area 15 a.  
Limits should not exceed reasonable household yearly consumption.

**What is the issue you would like the board to address and why?** Open personal use set netting in Lynn Canal on the west side. I am proposing this issue because I have a cabin on the west side of Lynn Canal and harvesting salmon for personal use is very hard to do in that area 15 A. At this time only drift netting is allowed 3 miles north of my cabin and only at limited times. All summer long I watch commercial fishermen set their nets in front of my cabin and they are allowed to have personal use fish. I think I should also. All Alaskans should have the right to personal use fisheries especially someone who owns land on a very remote beach in Alaska. Thank you for your consideration.
