To Whom It May Concern:

I am writing in regards to the Alaska Board of Fisheries meeting. I teach twelfth grade Government and Alaska Studies classes at Kenai Central High School. It is my understanding that the Central Peninsula has the unique opportunity to host the Alaska Board of Fisheries Meeting, and I wanted to reiterate our interest in hosting this event. It is my belief, that the communities, citizens and particularly the students of the Central Kenai Peninsula will greatly benefit from this opportunity. We have very much appreciated your support and look forward to the opportunity to experience first hand the ABOF meeting here on the Central Peninsula.

Respectfully,
