Regarding Proposal #34

Submitted by: Reid C. Ten Kley

Permit holder and author of Proposal #34

Members of the Board,

It has come to my attention that RC 57 was submitted incorrectly. The intent was to move the marker 150' but the point given was 245'

All parties agreed to move the marker 150' which is what was given verbally during the committee of the whole on 11/30/2018. However we were thinking of slightly different ways of measuring that. So I'm proposing moving the marker 163'

5 AAC 06.350(b)(1) is amended to read:

(b) The following locations in the Naknek-Kvichak District are closed to the taking of salmon: (1) those waters northeast of a line from a point near Graveyard Point at [58°52.097'N LAT 157° 0.800'W. LONG] to a point on the northwest shore of Kvichak Bay at 58° 53.37' N lat., 157° 04.26' W. long.;

Please use this RC as our collectively agreed upon point

Thank you,
