

## RC 32

Subject: Proposal 275

Submitted By: Wes Jones

Provided is substituted language for Proposal 275 that would allow Pot Cod Fishing up to 7 before the Norton Sound King Crab season.

5AAC 34.910 (g)

Notwithstanding 34.053, a person or vessel that operates commercial pots prior to 7 days before the opening of a commercial king crab season in the Norton Sound section of Registration Area Q may participate in the commercial king crab fishery in that Registration Area.
