

PROPOSAL 113

5 AAC 21.359. Kenai River Late-Run King Salmon Management Plan; and 77.540. Upper Cook Inlet Personal Use Salmon Fishery Management Plan.

Establish paired restrictions to close personal use fisheries when commercial fisheries are closed, as follows:

The illegal personal use fishery is not part of the MSA. The personal use fishery should be closed if the commercial fishery is closed.

What is the issue you would like the board to address and why? Paired restrictions. This proposal would allow for uniform harvest throughout the run. Sharing the burden of conservation should include all users. The personal use fishery is unlimited and unsustainable.
