

PROPOSAL 242

5 AAC 01.593. Upper Yentna River subsistence salmon fishery.

Allow two additional fishing days per week in the Upper Yentna River subsistence salmon fishery, as follows:

(2) in the mainstream of the Yentna River from its confluence with Martin Creek upstream to its confluence with the Skwentna River from June 1 through June 30 and July 15 through August 7 from

(A) 4:00 a.m. to 8:00 p.m. Monday;

(B) 4:00 a.m. to 8:00 p.m. Tuesday;

(C) 4:00 a.m. to 8:00 p.m. Wednesday

(D) 4:00 a.m. to 8:00 p.m. Thursday

(E) 4:00 a.m. to 8:00 p.m. Friday

What is the issue you would like the board to address and why? Due to high water and flooding conditions on many years this fishery has missed many days of opportunity. Requesting two additional days per week to allow for more opportunity.
