

Matanuska Valley Fish and Game Advisory Committee voted in agreement with ADF&G's staff position to amend proposal 227 with the following language:

Open additional days in the Fish Creek drainage, as follows:

(5) in the Fish Creek drainage,

(A) the waters from ADF&G regulatory markers located at its mouth upstream to an ADF&G regulatory marker located one-quarter mile upstream from the Knik--Goose Bay Road are open to sport fishing **every Saturday and Sunday from June 15 -- July 14, and**

Andrew N. Couch, acting secretary Matanuska Valley AC
