

## **NOTICE OF PUBLIC MEETINGS OF THE ALASKA BOARD OF FISHERIES**

The Alaska Board of Fisheries (board) will meet for a two-day Work Session beginning at 8:30 a.m., October 15-16, 2020, through the Internet-based video communication company Zoom.

At the board's September 16, 2020, special meeting to review its 2020/2021 meeting schedule in light of the COVID-19 pandemic, the board decided to conduct the work session through an Internet-based platform. The board also determined it would postpone the December 2020 Prince William Sound Finfish and Shellfish and the Southeast and Yakutat Finfish and Shellfish meetings to a date to be determined in the spring of 2021.

In addition to normal work session agenda items listed below, the board will also consider new meeting dates for the Prince William Sound and Southeast meetings. The board will also consider if there are issues and proposals that are urgent in nature and must be acted on sooner than the anticipated dates of the Prince William Sound and Southeast meetings.

No regulatory action will be taken at this meeting. Agenda topics may include: election of officers, agenda change requests, petitions, meeting organization and establishment of committees for the 2020/2021 meeting cycle, location and date selection for the 2022/2023 meeting cycle, informational reports, creation of board generated proposals, approval of the 2021/2022 call for proposals, and/or administrative issues that may come before the board. The board may choose to go into executive session. The board will also take up items under a miscellaneous business agenda.

This two-day meeting is open to the public. Written comments, due by Wednesday, September 30, 2020, may be mailed to: Boards Support Section, P.O. Box 115526, Juneau, AK 99811-5526, emailed to [dfg.bof.comments@alaska.gov](mailto:dfg.bof.comments@alaska.gov), entered on the Board's main webpage at [www.boardoffisheries.adfg.alaska.gov](http://www.boardoffisheries.adfg.alaska.gov), or faxed to: (907) 465-6094. A live audio stream is intended to be available on the board's website at [www.boardoffisheries.adfg.alaska.gov](http://www.boardoffisheries.adfg.alaska.gov) where the interested public may also view the meeting in a live format.
